Corporate Coalition

Connect your workplace to Yonge North York.

A stronger corporate voice for our district.

WHAT IS YNYCC?

The **Yonge North York Corporate Coalition (YNYCC)** is an independent advocacy group for the corporate community within the YNY BIA district. We help the community understand the BIA's role, gather workplace priorities and convey them to the BIA.

01 / WHAT IS A BIA?

A **Business Improvement Area (BIA)** is a City of Toronto agency that brings commercial property owners and non-residential tenants together to improve and promote their district. The YNY BIA works on shared priorities such as public spaces, safety and local promotion.

A special levy on commercial and industrial properties funds its approved budget. This is separate from YNYCC.

02 / DO WE ALREADY BELONG?

BIA members include commercial and industrial property owners and qualifying non-residential tenants within the boundary.

Who can represent us? Any employee of a member organization owning or leasing office space here can be chosen to represent it at YNYCC and the YNY BIA, with employer authorization, regardless of job level. For official BIA participation, a corporate member must formally appoint its representative and meet the BIA's eligibility, documentation and AGM registration requirements.

03 / THE UPCOMING AGM

Tuesday, November 17, 2026

The **Annual General Meeting (AGM)** is the formal meeting of BIA members. Eligible, authorized representatives can vote on AGM agenda items. The agenda has not yet been finalized.

Next steps: confirm membership, authorize a representative and complete registration. No person or corporation may cast more than one vote per agenda item, regardless of how many properties or businesses it owns or co-owns.

The agenda is expected in early October 2026. Check the official notice for the final agenda, time, venue and registration deadlines.

START WITH A QUESTION

Ask about the BIA, share a workplace priority or request a **free 30-minute introductory briefing**. An enquiry does not enrol your company, authorize representation, register you for the AGM or endorse a candidate. Future membership terms and any fees are separate.
